Saluting These Area Businesses And Organizations Who Have Helped Make Bulverde And The Surrounding Area What It Is Today!

SINCE 1988

Named Bulverde Spring Branch Chamber of the Month for January 2010.

Wow! Business of the Month. My wife and I think that's pretty cool! We could tell you about how great our Business was this year (the best yet),

but we'd rather talk about something else.

Mind if we share a few of our

favorite memories and things from this year? OK here goes! First are our two Pugs- Rosie and Lily. We thought they

would be great sources of entertainment for us when the boys left home. It took us a while to realize we were here to entertain them.

*Interesting note if you meet them...they will kill for a carrot!!

Born 9-9-09, our first granddaughter, Mia (lives in

Sweetwater, Texas.). She is very advanced for her age (4 months). At the rate she is progressing, she will have found the solution to our current economic crisis and tackled the global warming issue by the time she enters kindergarten.

Colonel Gordon K. Smith was a WW2 Hero and was also a friend of ours. His wit and

love of life will always be an inspiration to us. We were thrilled to be part of a group

that escorted him to The D-Day 65th Anniversary ... in France this past June. He will always have a special place in our hearts and minds.

And finally, the Chamber...Yes I know it sounds a little self serving, however, the people who make up the chamber are just some of the finest folks we could ever hoped to meet. How lucky are we to be part of an organization that serves our community in so many ways-and still finds a way to have fun at the same time!

Well the holidays are just behind us and the Christmas lights are coming down. We pack up our special memories of the season into the attics and storage closets of our minds to be resurrected around Thanksgiving next year.

Some of our memories remain bright and shiny like those blown glass ornaments that never seem to age. Others seem to fade just a little bit every year. Still, those faded ones can be as sweet as mom's apple pie.

We suppose the whole point of this is that we are grateful for all the great memories we gathered since moving to the Hill Country some twenty years ago (my wife has lived here for over 27 years). We hope all of you have received

your share of wonderful times to

carry with you throughout your life.

Thanks for the memories!

salon development in South Texas for over 25 years. Joined by daughter Holly and son Chase, the family business now includes three area salons as well as the Aveda Institute San Antonio, located in the Pearl Brewery development near downtown

San Antonio. The combined companies now employ more than 120 individuals. Her salons have earned recognition by locals who are 'in the know'. The national industry magazine Salon Today named hers as one of the "fastest growing" and

"best of the best" companies in the industry. K Charles & Co styling talents have been seen in Mademoiselle, Elle, Harpers Bazaar, and many local publications. The original Spring Branch salon opened its doors in 2000 and rapidly grew in

recognition for the uncompromising talents of team members as well as a warm and welcoming Hill Country atmosphere. Outgrowing that location, the salon was relocated to Creekside of Bulverde on Hwy. 46 West in December, 2008.

This larger space allows them to better serve their growing clientele with the same welcoming atmosphere. Debra Felix, Master Stylist, joined the team in March, 1999 and was soon recognized for her leadership ability. She now manages the salon at Creekside. Hers is a team of true professionals with the goal to "exceed expectations". Team members participate in ongoing training under the leadership of Education Manager, Elva Carabajal. Their combined talents and constant thirst for knowledge keep them far ahead of others in their field. K. Charles & Co. Salon is noted for generous support of

the fundraising efforts of local schools, churches and other community organizations. Owner Kathy Thalman, Manager Debra Felix and staff are enormously thankful for the welcoming support of the Bulverde/Spring Branch community and are honored to give back with comparable enthusiasm. The K. Charles & Co in Creekside is an Aveda Lifestyle salon. In these enlightened times, it seems remarkable that only two or three decades ago the concept of using organic, botanically-based products (better for service providers, guests and the planet) was unique. Aveda was at the forefront of that movement. K. Charles &
