present a **No-Compromise Leadership Workshop** in

**San Antonio, TX • Monday, February 7, 2011**

## Are you a leader who takes action?

If you're a leader who wants to take your company in a new direction and finally close the gap between where you are and where you want to be, don't miss **Neil Ducoff** and his **No-Compromise Leadership tour**.

A Higher Standard of Leadership Thinking and Behavior

**NO-COMPROMISE  
LEADERSHIP<sup>®</sup>  
Workshop**

Get ready to be  
**INSPIRED,  
CHALLENGED  
& MOTIVATED**  
to bring your  
company to a  
whole new level!

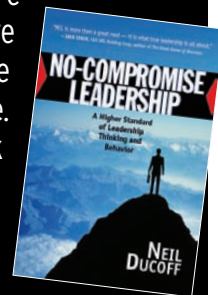

**This one-day workshop** is led exclusively by Neil Ducoff, author of the award-winning *No-Compromise Leadership* and founder/CEO of Strategies.

**You'll spend your morning** looking in the mirror - and learning where your leadership blockages are and how to fix them to be the most effective leader possible. You'll discover why the buck truly stops with you, every time; and how to make sure that if it needs to get done, it gets done without fail.

**The afternoon focuses** on how to bring the no-compromise culture to your business. Whether it's productivity, profitability, employee retention or customer loyalty, no-compromise leadership will help you find the extra 20% that means the difference between merely surviving and truly thriving in tough economic times and beyond.

**Infuse your culture** with no-compromise and close the gap between where you are today and where you want your company to be to achieve the business of your dreams.

**If you're ready to act**, if you're ready to commit, if you're ready to take your company to the next level, you might just be ready to be a no-compromise leader.

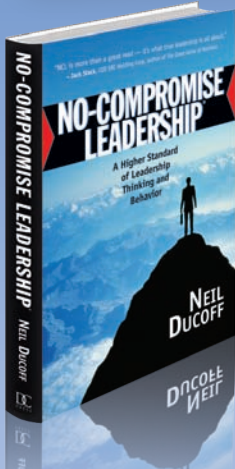

**"Leadership with inconsistent accountability is a recipe for compromise."**
